Calm and Restore

Citrus & Verbena

Body Lotion 8 oz \$14

A light moisturizing body treatment with Lactic Acid helps to soften dry skin. Aloe Barbadosensis Leaf Juice and Sea Algae is added to hydrate dehydrated skin.

Citrus & Verbena

Cleansing Polish 8 oz \$18

Dead Sea Salts, Japanese Green Tea & Licorice Root Extract. This multi functional formula is very effective for parched, rough, and dry skin by removing dead skin on the surface and moisturizing the newly revealed surface. With regular use this gentle body polish will maintain a smooth, and healthy skin texture.

– ENFUSE Skin Therapy –

Carefully selected active ingredients
Pure botanicals and essential oils
Gentle • Effective • Balanced

Thoughtfully crafted botanical skincare designed to restore balance and support healthy, radiant skin.

ENFUSE Skin Therapy was created to provide results-driven skincare that remains gentle and supportive to the skin. An added benefit is that all formulas are gluten-free, making them suitable for clients with dermatitis herpetiformis and other sensitivities related to celiac disease.

Each formula blends the best of science and nature. Active ingredients and botanicals are thoughtfully selected for their soothing, restorative, and protective properties, making ENFUSE suitable for women, men, and teens across many skin types.

At Charlene Lyn Esthetics, ENFUSE Skin Therapy is used in our professional facial and body treatments and recommended as part of a consistent home care routine.

Additional specialty products are available to complement your personalized treatment plan.
